worldsteel : Steelie awards 2017 winners

BRUSSELS (MPE-Média) - The winners of the 8th Steelie Awards were announced at the Annual Dinner of the World Steel Association (worldsteel) on monday the 16th of October. Details below.

The Steelie Awards recognise member companies or individuals for their contribution to the steel industry over a one-year period in a series of categories impacting the steel industry. The first Steelie Awards ceremony took place in 2010 in Tokyo.

The categories and winners for 2017 are:

1. 1. Steel industry website of the year: Tata Steel Limited (**http://www.tatasteel.com/**)
2. 2. Innovation of the year: POSCO, Deep learning technology for innovating steel manufacturing processes
3. 3. Excellence in sustainability: ArcelorMittal Tubarão and Usiminas for Paving rural roads in Brazil with steel by-products
4. 4. Excellence in Life Cycle Assessment: Tata Steel Europe for the Creation of an Environmental Product Declaration Programme
5. 5. Excellence in education and training: Nucor Corporation for Training to eliminate serious injuries and fatalities
6. 6. Journalist of the year: Michael POOLER, The Financial Times
7. 7. Industry communicator of the year: Guoqiang MA, Chairman, China Baowu Steel Group Corporation Limited

The Steelie awards were given by worldsteel members and officials to the winners in Brussels Autoworld during the 2017 gala evening of the worlsteel association.
